WE BELIEVE

We believe sincerely that the great majority of the students of Newark Senior High School improve in many aspects each successive year. They exhibit more respect for their fellow students and the members of the faculty. In appearance they are neater, cleaner, and more sensibly dressed; they give the impression that they are proud and appreciative of the beautiful school complex the citizens of Newark have given them.

Each year the scholastic attainments of the student body heighten in quality and quantity. The number of student activities is increasing in variety and student participation.

We offer our heartiest congratulations to the parents, guardians, and any other inhabitants of our fine city for their contributions to this wholesome situation.

The 1966 Staff

Linda,
To a fellow choir member, never forget those wild times in the Alto section, those wild parties, the candy we ate, and getting caught eating it. Best of luck in the future, Lord Bless you dear. Keep You.
Donna Cook

Linda,
a girl who I used and I do remember all the in chemistry and Best of wishes and luck in the World.

Linda

Linda,

I'm not even sure how many years we've been friends — about 473 years? We've walked home together many times, and done so many things together. You've been a really good friend — always willing to work hard and speak pleasantly.

Oh, remember all our trials in French — Joan's ? 3rds, sudden outbursts, animal noises, and sarcasm. But I think we made it with no great harm.

Also, English has been meeting with all the hilarity, wisecracks, & bodily injury.

I wish you happiness - Chris Kent

REVEILLE

Dedication

The 1966 Reveille Staff takes pleasure in dedicating the 1966 Reveille to Myron A. Pearce, co-ordinator of music and band.

Myron A. Pearce has completed 35 years of teaching in the field of public school music. He came to Newark in August of 1946 and has taught public school music for 20 of the complete 35 years in Newark. He has served as a clinician, a coordinator of workshops, and as adjudicator for district and state contests for many years. He is a member of A. S. B. D. A. (American Schools Band Directors Association), past Ohio President of Phi Beta Mu. (National School Bandmasters' Fraternity), and an honorary member of Kappi Kappi Si.

"There is no better way to take the irk out of work than by putting love into it."

In Memoriam

GEORGE STOECKMANN
A. B., Denison University
M. A., Ohio State University
Th. B., Northern Baptist Theological Seminary

Mr. Stoeckmann was a most active, progressive, ambitious, co-operative and popular member of the Newark Senior High School faculty for the past 32 years. Many members of the class of 1966 hold fond memories of the pleasant and constructive experiences they had with the Junior Class building co-ordinator of 1964-65. Many of us will sorely miss the firm but gentle, thoughtful guidance we received from him.

"Example is contagious behavior."

NATIONAL HONOR SOCIETY

Interest in this organization runs high--and rightly so--because of the recognition experienced for having achieved so excellently in the academic areas. It is also a reasonable expectation that students who have achieved so well academically will also reflect credit upon themselves, their homes, their community by being living examples of high quality character, leadership, and service.

Eligible candidates for membership in the National Honor Society are seniors who have attained a 3.3 or higher, grade point average in subjects in which one half unit of credit is earned per semester during five semesters of senior high.

Library Club

Club members serve the school by assisting Miss Helen Dorn and Mrs. Laura Campbell in the library. Each girl devotes one period a day to working at the circulation desk and handling othe routine matters of library procedure. Library assistants also help prepare the bulletin boards and display cases in the library. Group activities of the club include a Christmas party, a trip to the annual conference of the Ohio Association of Student Librarians, and a picnic in the spring.

The Hi-Y organized in 1921 by Mr. Ray Mossheart is the oldest N. H. S. club still active in school and community.

With its standards to create, maintain and extend through the school and community a high standard of Christian character, it has grown and prospered. Until this year, it has reached it's highest standard of service.

Science Club

The Science Club is an organization devoted to the promotion of science and the understanding of scientific principles. It accomplishes these objectives through programs by men in local industries working in the various fields of science, tours of local industries, discussion of scientific principles, and participation in science fairs. Membership is open to any Newark High School student interested in science.

B. Cohn, W. Weber, J. Goldsmith, J. Morgan, Mr. Steinburger Adv.

Math Club

The main objectives of the Math Club are to engender keen interest, to develop sound scholarship, and to promote enjoyment in the field of mathematics. To provide specialized training for those people who plan careers in fields involving mathematics, we have speakers who use mathematics daily, and we take tours of local industries. Math Club members participate in the regular meetings, the informal initiation, the Christmas party, the annual dance, and senior picnic in the spring; in addition, the members of Mu Alpha Theta, the honorary subset of Math Club, take part in the regional conference and formal initiation.

Student Religious Fellowship

This is an organization interested in creating stronger religious attitudes and a mutual understanding among people of different beliefs. Since the school schedule involves so much time each day, there is a need for an organization on campus to tie religion more closely to everyday life. This club fills this need. It is hoped that it will help us to develop a higher standard of conduct. It is open to students of all religious creeds and to student having no acknowledged creed.

Dian Ridenour, P. Pressler, J. Berger, Mrs. Dickerson, Adv., S. Frazier

G.A.A. The purpose of this organization is as follows: 1. To promote an interest and ability in girls' physical education activities. 2. To promote physical fitness. 3. To promote an interest in physical education after the school years. 4. To develop sportsmanship. 5. To develop leadership and followership. 6. For fun and fellowship. 7. To promote worthy school citizenship.

The 1965 Newark Wildcats started the season with six returning lettermen--Phil Allen, Ben Franklin, Barry Noll, Pete Shanaberg, Phil Wince, and Barry West. Wince and West were the the two all-COL players to return. The team chose Barry West as captain with Dean Athan and Phil Allen as co-captains.

Jimmy "Wildcat" Allen, with his staff of Jim "Porky" Forgrave, Harold "Two on one" Prugh, Paul "Speedy" Jackson, Steve "Roxie" Kocovich, and Leigh "The man" Sherman made a number of changes which proved to be smart. Regular halfback Phil Wince was put at a split end position; halfback Mike Hampshire was moved to a tough guard spot; one-time end Gary Frizzell was changed to center and outstanding fullback Barry West was assigned to quarterback.

The Cats started the season by tromping Toledo Whitmer 43 to 0. The next week they repeated with a 12 to 0 win over, usually tough, Columbus Central. On the third week of the season the Cats learned the hard lesson of overconfidence with an upset by Mansfield Malabar of 13 to 18. But with this defeat in mind, the Wildcats traveled north to tie the big, tough Barberton Magics 14-14. The 5th week, however, Newark lost 14--34 to a superior team, Columbus Watterson, who finished the season rated 5th in the state.

Now that the non-league games were played, the always rough Central Ohio League season began. The first was an easy 46 to 6 victory over Ironton. The next game, Homecoming, was an easy win over Chillicothe 37 to 6. The third game at Marietta was a 14 to 8 thriller with Newark on top. Newark then traveled to hostile country to battle their rivals and 1964 C. O. L. co-champs at Lancaster. Both teams were 3 and 0 in league play. The game proved to be one of the most exciting and heartbreaking games in Wildcat history, with Lancaster barely edging Newark 16-15 in the last minutes of the game. Newark closed the season, however with an exciting 9 to 8 win over Zanesville. A field goal by Wince scored the winning points. The Newark Wildcats finished proudly with an undisputed runner-up spot in the C. O. L. and a season of six wins, three losses, and one tie.

The 1965-66 Newark Wildcats, coached by Mr. Richard Schenk and captained by Craig Barclay, opened the season with only one returning letterman, their captain. Their first three opponents, Columbus West, Marion Harding and Canton McKinley were coprised of season veterans. Despite these facts Newark gave each team a stiff battle but was the loser of the three games by a total of eight points. The team, however, did not lose its confidence and trounced its next six opponents, three of which were C. O. L. members. They then were beaten in close contests by Lancaster, Columbus East and Zanesville. The Wildcats then proved that they were a much better than average team by defeating Chillicothe, Mt. Vernon, Marietta, Euclid, Ironton and Lancaster to complete the regular season with twelve wins and six losses and become the co---champs of the C. O. L. along with Zanesville

Newark 69 Hamilton Twnsp. 27

The nervous Newark players started off slowly. They couldn't seem to hit the basket and trailed after the first few minutes of the game 6 to 0. They soon regained complete control of the floor and led at the half 37-14. With a comfortable lead, the confident Newark Wildcats held their opponents to 13 points the second half and went on to tromp them 69 to 27. Nearly every man entered the scoring column in this game.

Newark 58 Teays Valley 42

Newark started off at a slow pace in the opening quarter of the Teays Valley tourment game. The score at the end of the first quarter was a deadlock at 10 all. During the second and third quarters, Newark showed their ability to play as a team and upped the score at the end of the third quarter to 48 to 26. Newark finished easily by defeating Teays Valley 58 to 42. Newark shot better than 50% from the field and held Teays Valley to a mere 28%.

Columbus East 54--Newark 50

Newark out-played East in every category except the big one--the final score. The game proved to be one of Newark's most exciting of the year and one of the most thrilling in tournament history. The game began at a fast pace with each team hitting the basket with a better than 60 % average from the field with East leading at the first quarter by 16-15. The battle continued throughout the second quarter with both teams fighting for every rebound and realizing the importance of every shot. The Wildcats trailed the Tigers 30-29 as the teams retired for the half time intermission. The teams came out at half to find the coloseum completely filled and the spirited Newark fans cheering as is the NHS custom. The third quarter was mostly defense and Newark had a number of costly turnovers, but the score was tied at the end of the third quarter 36-36. Every point from here on was keenly contested. The regular game ended in a 42-42 tie. In the overtime the Cats took a slight lead but could not hold it--the first overtime ended in a 46-46 tie. The game went into a second overtime. The roaring of the fans filled the coloseum East captured the jump and scored a field goal. Because of a costly Newark turnover East recovered the ball and scored again--They now led by four points and the gun ended the contest. There were many disappointed, unhappy, Newark followers who will remember the game as one which Newark could have won because of their tremendous fighting spirit.

Juniors hurry to finish what needs to be done for the 1965 Junior-Senior Prom. Even though it appears to be a mess, the Prom turned out a success. The dance was held in the gymnasium of Newark High School from nine to twelve o'clock, Saturday evening on May fifteenth. The theme this year was "Story book Heaven". This theme was carried out by scenes from Peter Pan, Snow White, Hansel and Gretel, and The Old Woman In a Shoe. The Highlight of the evening was the crowning of the queen, Bonnie Burleson. Following this were the after prom parties.

OUR SINCERE APPRECIATION

to those who helped finance our Reveille by purchasing advertisements,

to all photographers who furnished our excellent pictures,

to all members of our faculty who have so graciously cooperated with the Reveille staff members, and

to Mrs. Winegardner, who donated so much of her time in the book-store with the sale of Reveilles, covers, etc., and her help with the collecting and banking of the monies.

Thank you,

The 1966 Reveille staff

LINDA,

To a very nice girl whom I have enjoyed knowing. I'll always remember the many goodies that I have purchased from your bakery — they're delicious! Take care of yourself at Muskingum and keep those eyes peeled on that certain quarterback! Have fun & good luck.

Love ya!
Ole Long

Linda,
You a real sweet girl who is a blessing to be around. Thanks for all the notes in Sociology and Economics. Stay as sweet as you are.

A friend always.
Frank

Linda
To the best looking bakery girl (Miss) in our three years of High School two legs. Remember all the fun we had in homeroom Good Luck in whatever you do

Linda,
To a very nice girl whom I known for years. Goodluck in the future!

Joe Himes

Linda,
To a girl that's been lots o' fun + a good friend. Remember French, Gov't, Econ (those tests!) And the day downtown just before the Prom! Best of Luck at Muskingham + in all you attempt

Be good
Judy

Linda,
To one of my best friends. Never forget all the crazy fun we had in chemistry class. Especially the stories about Bill and the roaming eyes during Kleinfelter's tests. Best luck in the future and hope you get Bill.
Always a friend
Greg '67

Linda,
Always remember the fun we had in the library 2nd period with Bill. Good luck with that certain someone and in anything you do. May God bless and keep you
Love ya,
Jane Dickson

WE BELIEVE

We believe sincerely that the great majority of the students of Newark Senior High School improve in many aspects each successive year. They exhibit more respect for their fellow students and the members of the faculty. In appearance they are neater, cleaner, and more sensibly dressed; they give the impression that they are proud and appreciative of the beautiful school complex the citizens of Newark have given them.

Each year the scholastic attainments of the student body heighten in quality and quantity. The number of student activities is increasing in variety and student participation.

We offer our heartiest congratulations to the parents, guardians, and any other inhabitants of our fine city for their contributions to this wholesome situation.

The 1966 Staff

Linda
To the best memory a girl could have - most of the time. I'm referring to F.F.A. meetings of course. Remember all the fun of missed Williams & Klein. Best wishes in everything.
Friends always
Cindy

Linda,
Always
Remember the happy times we've had together in Tok's class. How can you forget?
Good Luck
God Bless
You.
Always
Your friend
